About New Gill Furniture

Located in Toronto, Ontario New Gill Furniture has been in operation since July 2002. Our unique design & workmanship are crafted in wood finishes giving us the flexibility to manufacture furniture that is both functional and aesthetically pleasing.

We export our diverse range of modern and classic furniture products that cater for Bedroom, Kids Living & Office Furniture. Our products are competitively priced in order to maintain continuous business relationship with our customers, which are furniture wholesalers and retailers. With our quality products and competitive pricing, we ensure that our customers are versatile in the furniture market. Customers can choose and mix a variety of products to bundle in a single container. We have ready stock available to make prompt delivery & pickups.
